

# POST COVID-19 CONSTRUCTION CONTRACT CLAUSES

Presented by the ISBA Construction Law Section

**Live Webcast** | Friday, February 26, 2021 | 12:00 – 1:00 p.m. | 1 hour MCLE credit

The COVID-19 pandemic has affected nearly every aspect of today's life. Don't miss this discussion regarding how construction projects are being affected, as well as the possible contract clauses that can be created and how they address these problems. The program includes a panel discussion consisting of experienced construction law attorneys who represent owners, lenders, and contractors. Construction law practitioners, commercial banking and bankruptcy lawyers, and real estate attorneys with intermediate practice experience who attend this online program will better understand:

- 🌅 The unique issues that COVID-19 has created in the construction law environment;
- 🌅 How to handle cases asking for more time or a change in price;
- 🌅 Cost plus fee contracts vs. increased contingency and time;
- 🌅 How to apply these remedies to future problems; and
- 🌅 Much more.
